A voi la bellezza del marmo, a noi l'abilità per crearla.

Il fascino e lo splendore del famoso marmo apuano di Carrara emergono dalle opere d'arte nate dalla creatività dei nostri abili artisti scultori. Realizzate in marmo ricostituito ottenuto da una preziosa miscela di polvere del vero e cristallino marmo bianco di Carrara con uno speciale legante, le nostre creazioni sono modellate con cura artigianale e con una tecnologia tale da garantirne qualità e durata. Stili e varietà si alternano nell'ampia offerta che possiamo presentare e lasciano spazio al gusto e al desiderio di chi vuole arredare in modo personale ed originale i propri spazi all'aperto o al chiuso.

The beauty of the marble, our ability to create it.

The fascination and brighteness of the famous Apuan Carrara marble emerge in the works of art born of the creativity of our capable sculptor-artists. Made in reconstituted marble, obtained from a precious powder mixture of true and crystalline white Carrara marble, with a special binder, our achievements are modeled with care and technology, which guarantee quality and durability. Styles and varieties are alternated through a wide ranging offer, which we can introduce to you, which also leaves room for the taste and desires of those who want to furnish their outdoor and indoor spaces in a personal and original manner.

Wir kreieren für Sie die Schönheit des Marmors.

Die Faszination und Pracht des berühmten Apuanischen Marmors aus Carrara stammen aus der kreativen Ader unserer geschickten Bildhauerkünstler. Realisiert aus rekonstituiertem Marmor, der aus einer edlen Pulvermischung des kristallklaren weißen Marmors aus Carrara zusammen mit einem speziellen Bindemittel gewonnen wird, entstehen unsere Kreationen mit fachmännischer Sorgfalt und einer Technik, die für Qualität und Lebensdauer steht. In unserem breiten Lieferspektrum wechseln sich Stile und Vielfalt ab, die dem Kunden Raum lassen, nach seinem Geschmack und Vorstellungen persönlich und originell eigene Räume im Innen- und Außenbereich einzurichten.

À vous la beauté du marbre, à nous l'habileté de la créer.

La séduction et la splendeur du célèbre marbre apuan de Carrare s'imposent à travers les œuvres d'art nées de la créativité de nos habiles artistes sculpteurs. Réalisées en marbre reconstitué, obtenu à partir d'un précieux mélange de poudre du véritable marbre blanc et cristallin de Carrare avec un liant spécial, nos créations sont modelées avec un soin artisanal et une technique qui en garantissent la qualité et la durée. Les styles et variétés s'alternent dans la vaste gamme que nous sommes en mesure de présenter et permettent à chacun de décorer de manière personnelle et originale les espaces couverts ou en plein air.

A vosotros la belleza del mármol, a nosotros la habilidad para crearla.
